THE PERFECT BATHROOM

Picture your perfect bath. A right-at-home spa (exercise bike, multi-jetted shower, TV and CD player)? A relaxing retreat (chaise longue, puffy pillows, candles, soaking tub)? An easy-care bath to suit your busy life (tile, counter space, individual lavs, plenty of storage)? Whatever your daydreams, your local Floor To Ceiling® bath store is a great place to make them come true!

Every Floor To Ceiling® bath dealer has a beautifully accessorized showroom where you can find exactly the right faucets, fixtures, cabinetry, floor coverings and accessories for the bath you want. You'll find brand name products you recognize for quality and style in a variety of price ranges. You'll also find trained and experienced professional designers who will take time to listen to your ideas and help you explore all the possibilities.

Floor To Ceiling® designers use the industry standard 20-20 design tool to create just the right floor plan and perspective renderings to help you envision your new bath.

You'll love shopping for your new bath in the quiet, friendly atmosphere of Floor To Ceiling®! Our design professionals will listen to your ideas and help you bring them to life, with skill and without pressure. So relax! Everything you need for your new personal space is waiting for you at your local Floor To Ceiling® bath store.
