

DECORATOR DATABASE CABINETRY

BODACIOUS BARS

Imagine a wet bar to make you proud and wow your guests (or your kids!) Just a corner is needed to turn your family room or recreation area into a show stopping entertainment spot.

When you think bar, do you automatically think adult beverages? Maybe family gathering spot is more your bar style. Stock the cooler with juice and soda and the fridge with snacks. Order in a pizza, pop some corn in the microwave and you're ready for a family night or kids' party. With a small dishwasher, clean up is quick and easy, too! For adults only or the whole family, consider including these facets in your bodacious bar:

- Base cabinets with a stylish bar sink and gooseneck faucet
- Base cabinets with slide-out shelves for convenient storage of board games
- Wall cabinets with glass door inserts and low-voltage lighting displaying glassware and sports trophies or collectibles
- Easy care, high style solid surface or granite counters
- Stemware holders installed beneath a wall cabinet
- Install a mini under-counter fridge for snacks
- Built-in wine cooler
- Built-in microwave
- 18" wide or small countertop model dishwasher
- Build in a small TV

Think Morning Bar

A natural extension of the movement toward larger and more luxurious bedroom suites increasingly includes a Morning Bar! Enjoy a more leisurely morning - even as you get ready for your busy day. Or unwind when it's over, with a workout and a shower - and a cinnamon bun! Along with the exercise bike and the spa tub, bring the coffee pot and cold juice right into your personal space. Create a Morning Bar with custom or semi-custom built-in cabinetry to match or complement your

Beautiful Bedroom! (Tuck the whole thing in a gorgeous armoire!) Include these in your Morning Bar:

- Bar sink with arched faucet
- Built-in mini-microwave
- Countertop size mini-fridge for fresh fruit and juice
- Include an interior drawer for flatware, bottle opener, etc.
- Open shelf nooks for plates, mugs and coffee pot (don't forget electrical outlets.)
- Install mirror inserts in your Morning Bar armoire doors – voila! Full-length mirrors!
